Incubators INplus and IFplus

Memmert

Incubators INplus and IFplus
Incubators for research, medicine, pharmaceuticals and food technology.
Organic chamber loads require gentle heating. For this reason, the heating and control system are especially optimised for low temperatures of up to +80 °C. To prevent temperature overshoots, temperature is increased within a very narrow control range and kept exactly at the setpoint value.
-with all-round surface heating
-fresh air is pre-heated
-with inner glass door
TwinDISPLAY: ControlCOCKPIT with two colour displays
You can find a detailed description of the "TwinDISPLAY" model at www.memmert.com

Code	Description	Packaging
LLG09537969	Incubator IN30plus+20...+80°C, 32 ltr.,	1 pz
