

# Anhídrido fosfórico

Synonyms:

Anhydride phosphorique

| P205             | Classification                    | Danger                                                                                  |
|------------------|-----------------------------------|-----------------------------------------------------------------------------------------|
| Molecular weight | 14.00 ONU                         | 1807  |
| CAS              | 1314-56-3 Transport hazard class: | 8                                                                                       |
| EEC-N:           | 215-236-1 Packing                 | II                                                                                      |

Anhídrido fosfórico

> RPE - Para análisis - ACS - Reag. Ph.Eur. -  
Reag. USP

Grado Analítico

|                      |              |     |
|----------------------|--------------|-----|
| Description          | White powder | -   |
| Identification       | Positive     | -   |
| Insoluble in water   | <= 200       | ppm |
| Ammonium             | <= 100       | ppm |
| Heavy metals (as Pb) | <= 100       | ppm |
| Assay (acidimetric)  | >= 98.0      | %   |

|                     |  |                                                         |                   |
|---------------------|--|---------------------------------------------------------|-------------------|
